Pony Club & Ladies Boots

The attention is in the detail.

Baxter Boots
HANDCRAFTED SINCE 1850

Baxter Boots – The boots Australia loves.

The tradition hasn't changed much, nor has the tough quality that Australian's have come to expect from a handcrafted icon - Baxter Boots.

The Baxter boot making dynasty began when Henry Baxter bought one of the country's oldest boot manufacturing companies founded in Goulburn in 1850. Henry loved the Australian bush, was a prize winning shooter and could ride a horse like the devil.

Just like Henry, Marshall Baxter, Henry's great grandson and current family business owner, insists on Baxter boots continuing to be made from premium grade leather to ensure each foot is gloved in supple comfort and the best Australian quality.

Baxter Pony Club and Ladies Dress Boots are made to a high standard that Australian women have come to expect. Designed and made for tough Australian conditions, Baxter Pony Club and Ladies Dress boots are made to last with the look and feel that girls have come to love.

With nine styles to choose from that all look great in the saddle, you'll love showing off your Baxter Boots.
